Scratch built: 1st Place: Randy Kerka: N Scale Pallet Factory (still in the process of being completed);
No Other Entries Submitted--- Soooooo Randy humbly accepted the blue Ribbon!

PHOTOGRAPHY: Div. 7 Member's' Layout/s (These entries can be taken by any NMRA member, but this year, each layout entry must be of an NMRA, MCR, DIV. 7 Member's Layout (NOTE: We did have one layout entry that, upon review, was not a Div. 7 member's. That person [and layout] is an NMRA Member, but not of our Div., and, therefore, the entry was not eligible. I thank the entrant for graciously accepting the ruling.) Super's Note: Stay tuned for some changes to this category next year.

Print Model: (3 – Way Tie!!!): 1st Place: Jerry Baston: L & N Coaling Tower In Yard on Perry Simpson's Layout;
1st Place: Jerry Baston: PRR Steam Locomotive on Curt La Rue's Layout;
1st Place: John Listermann: V & O Caboose Passing A Station on Gerry Albers' Layout.

*Contest Chairperson's Comment: Our Division has **So Many Great Layouts** that it is understandable why ties like this can occur.*
