December Meeting Cancelled

The regular meeting scheduled for Sunday December 8 has been cancelled due to the weather.

The annual "SNACK FEST" will take place at the January meeting. No word as yet on whether the annual "Pot Luck Slide Show will also take place at the January meeting. In addition, the December competition will also be held at the January meeting along with the regular scheduled January competition.

In addition, the BOD meeting has been postponed until next Wednesday night Dec. 11 at the usual time BUT it will be held at Harmony Lodge in Winton Place instead of the Good Shepherd Lutheran Church.

WHILE WE HAVE YOUR ATTENTION

Frank Koch reports:

There is a 3-rail train display at the Newport on the Levee in their exhibition hall/building. It was built specifically for the Holiday Season. There are three displays in the building - 3 rail trains, Lego trains, and Santa. There is a \$5.00 admission charge to view all elements.

They are looking for train operators (run trains, keep them on the track, and answer simple questions.) The display runs until January 5 and is open 6 days a week. (no Monday) from noon until 8pm. There is an elementary orientation.

They are looking for people who will work at least 4 hour shifts for multiple days during this period. Since there is some training, they want to minimize the number they have to train.

There is payment involved. They pay \$8.00 per hour and yes you will have to report it.

If you are interested, call **Brian at Newport on the Levee at 513 502-1790** and inquire.
