1942-2022

It is with great sadness we report long-time Cincinnati Division 7, Mid-Central Region, National Model Railroad Association (NMRA) member and Louisville and Nashville (L&N) Railway modeler Perry Simpson passed away on Monday, September 26, 2022. He was also a member of the Cincinnati Railroad Club and the L&N Historical Society. Perry's large HO scale model railroad was featured in the 2013 issue of Great Model Railroads magazine.

Our condolences to Pam and Rick Moleski, Perry's daughter and son-in-law, both also longtime Cincinnati Division 7 members. See attached official obituary for more details.
